Home Insurance Renewal

8/12/2024

Dear Pamela Nye and Chuck Foster,

Thank you for choosing Farmers for your homeowners insurance needs. We appreciate the opportunity to offer continued coverage for you and your family contingent upon payment toward the premium as stated below.

Please review the renewal offer documents that have been enclosed:

- Declaration page – a summary of your insurance coverages, limits, and deductibles
- Detailed reconstruction cost estimate of your home

You may notice you're no longer receiving the Good Payer and Preferred Pay Plan discounts. Unfortunately, we're no longer permitted to offer these discounts to any California policy holders. We regret that we're unable to provide this discount anymore and we encourage you to chat with your agent to see if there are other discounts you may be eligible for.

As a way to thank you for your continued business, we have added to your Declining Deductibles® balance. Your accumulated balance appears on your Policy Declaration in the Deductible section.

A summary of your premium and policy change information is shown below. With this renewal, you'll see an increase in your home coverage limits. As inflation and reconstruction costs rise, so does the amount of coverage needed to rebuild your home in the event of a total loss. For more information on these changes, please see the "Reconstruction Cost and Your Coverage A (Dwelling) Amount" page of this document.

Additional Coverages for Your Homeowners Insurance Policy

Homeowners insurance starts with standard coverages, such as the cost to repair or replace your home after a covered loss, the cost to repair or replace damaged or destroyed personal property, and personal liability coverage. But many common risks aren't covered by a standard homeowners policy. Optional coverages let you address more risks. Here are some of our most popular options to balance coverage and costs. Any you have already chosen will show a ☒ below.

Valuable Items - Specified

Adds coverage for specific, listed items of valuable personal property, such as jewelry, cameras, artwork, furs, guns, silverware, or musical instruments. Each item must be described in detail with an agreed value. Coverage includes loss from mysterious disappearance.

Marring to Certain Metal Materials

Adds coverage for wind or hail marring to metal building materials such as gutters, and downspouts.

Cyber and Identity Shield

Provides coverage for a wide range of identity theft or cyber events, including Ransomware Support Service, Identity Theft Restoration, Data Recovery and System Restoration, Wire Transfer Fraud, and Internet Clean-up.

Zero-Deductible Glass

Pay no deductible for damaged glass attached to your home or separate structures.

Limited Leakage and Seepage

Covers water damage, up to a stated amount, that results from slow, accidental leakage or seepage of water.

Equipment Breakdown

Adds coverage for damage caused by breakdown or rupture of boilers, or mechanical, electrical, electronic or fiber optic equipment.

Home Sharing

Provides coverage for short-term rental of all or part of the home.

Water Backup and Sump Overflow - All Types of Covered Property

Coverage is available for water damage from sewer/drain backups or sump overflows, up to the stated limit. Does not cover flood damage.

This statement provides a list of some of the types of optional insurance coverages that may be available to you. Contact your Farmers[®] Agent, or us, to discuss these and other additional coverages.
